

Phase C - State Government Roadmap

Sandown Greyhound Racing Club
October 29th – November 24th

SandownPark

The Sandown Greyhound Racing Club and Greyhound Racing Victoria with advice from the Chief Health Officer will release a cautious approach to phase C of the COVID Roadmap. To ensure zero comingling between the general public and the participants, the Club has identified two separate areas that are able to be fully serviced as segregated areas, with hospitality, amenities and separate entrance and exit points.

SGRC have been industry leaders in following the CHO guidelines throughout the COVID pandemic, with many of the policies and procedures to be implemented beyond November 24th.

We take this opportunity to thank our Board, staff and Racing Participants for their unwavering support and look forward to our 2021 TAB Melbourne Cup on Friday November 26th.
